

Ringette Nova Scotia Member Discounts at Sportwheels

Ringette Nova Scotia has recently begun a partnership with Sportwheels Sporting Goods in Lower Sackville. This partnership will provide the following benefits to Ringette Nova Scotia and our members:

- Ensure a consistent, adequate and appropriate supply of ringette equipment is available for purchase throughout the regular ringette season, and in the off-season.
- Sportwheels sales staff that are informed of what ringette equipment is mandatory, optional, appropriate fit, etc. to assist players and families new to the sport.
- Ringette equipment pricing available online through the company website for members who live outside of HRM, and the ability to make online purchases from the website.
- RNS member discounts of 10-15% on selected new items (non sport specific) such as shoulder pads, elbow pads, shin pads, helmets (cages excluded), skates, gloves and bags.
- Team deals (orders of 12 or more of the same item). Items include jerseys, pants, track suits and jackets.
- A 5% rebate credit to the organization on all purchases made by our members over the course of a 12 month period. This in-store credit will be used by RNS to defray the cost of equipment for our development programs, camps, clinics and teams.
- Other benefits and offers will be forthcoming as we build this relationship!

Please distribute the Sportwheels Discount Cards to all members of your association, including players, coaches and officials!

Please ask your members to let the Sportwheels staff know that they are members of Ringette Nova Scotia when they make purchases there!
